My name is Kurt D. Zuttermeister. I am running to represent the people of District 49 in the State House of Representatives. I have lived in Kane'ohe all my life, and went to Benjamin Parker Elementary, Samuel Wilder King Intermediate, and Damien Memorial High School. I want to work with my brothers and sisters in Kane'ohe to make our community better for all of us. One of my main priorities is to provide more affordable senior housing. It is very important that families stay close by, and our older citizens need to be taken care of. District 49 has many good civic clubs, and I want to work with these groups and their members to create a community effect to make good things happen.

We need to get money from the State Legislature to pay for projects here in our community, but we also need to make sure local resources are helping get the job done. This shows everyone in the State Capitol that we can take care of our area. I want to make sure the business area continues to look good, and fix the sidewalks, so we can be proud of our town. The people here deserve this. I will keep my office doors open here in Kane'ohe, so you can always come and talk to me about how to represent you best. I would appreciate your vote on September 23rd and November 7th. Aloha and Mahalo.
